BOYS STATE

The American Legion has one delegate attending Boys State in 2018. Shear Huntington attends Shiloh Christian School in Bismarck, ND and is sponsored by Starion Bank.

Sons of the American Legion Meeting

We are up to eight prospective members, needing at least two more to get us to the required number to charter the Squadron. It is my hope that we will be able to get our charter in July or August. If you have sons, grandsons, or great-grandsons, please bring them to the meeting and sign them up so they can start taking advantage of the benefits available to SAL members.
