**Veterans Day
November 11, 2022**

Dick Dever's values were defined by his childhood in a small town in northwestern North Dakota. Following his graduation from Flaxton High School, he volunteered for the draft. He served with the 592nd Signal Company, Berlin Brigade in West

Berlin in 1972-1973. He attended the University of North Dakota and made his career as a self-employed manufacturers representative, retiring three years ago. Dick was elected to the North Dakota Senate in 2000. He has served several sessions on the Human Services Committee and the Government & Veterans Affairs Committee. He currently serves on Senate Appropriations and chairs the sub-committee that manages the budget of the Department of Health & Human Services. He also serves as Commander of AMVETS Post 9 and as Judge Advocate of VFW Post 1326 in Bismarck. Dick and his wife, Pam, feel tremendously blessed that all three of their children and all 12 of their grandchildren live in Bismarck and are members of Shepherd of the Valley Lutheran Church.
